High Quality Childcare

Star Hotshots has established an excellent reputation, since launching in 2003, for providing high quality childcare. OFSTED in their last inspection graded us **'Outstanding for helping children enjoy and achieve'**.

Star Hotshots aims to:

- ◆ Develop your child's fundamental movement skills and sports skills
- ◆ Develop your child's confidence by performing successfully in a wide range of physical activity, rhythmic and sport situations
- ◆ Provide the tools for your child to take part in physical activity and sport, both for healthy life-long enjoyment and for sporting success

Sports Skills are developed through games and challenges to develop your child's:

- ◆ Throwing & Catching
- ◆ Running & Agility
- ◆ Balance & Coordination
- ◆ Jumping & Landing
- ◆ Kicking & Striking

Star Hotshots employs qualified teachers at every venue and these are very well supported by highly qualified sports coaches and sports assistants.

"The staff are proactive and use their time well; a flexible approach allows children the opportunity to participate in team and individual games. Staff show commitment to continuous improvement thereby ensuring support, care and learning of the children."

OFSTED Star Hotshots Report

Multi Activity Holiday Camps

Star Hotshots holiday camps are an enjoyable way for your child to be active, play games and be with their friends during the school holidays.

Qualified PE teachers use their experience and enthusiasm to create a safe and enjoyable experience for your child to try new sports and develop their physical, social and creative skills.

Your child does not have to be 'sporty' to enjoy the camps. Our qualified teachers ensure your child is suitably challenged and motivated to participate.

Children are in age groups (but flexibility is available if your child would like to be with an older or younger friend or we think your child will advance further in a different group).

The maximum in any group or activity is 20 children.

For children to enjoy an activity and to learn new skills they must be successful. Therefore, it is imperative children play in small groups to ensure they play an active part in each game/activity.

"My children unanimously said it was the best camp they had been on!"

Multi Activity Holiday Camps

Timetable

Star Hotshots is open from
8.30am – 5.30pm.

A varied timetable has been designed to ensure children try a range of different activities throughout the week.

Swimming is available every day.
For children aged 5-8 Go-Karts Thursdays*.
Archery, High Ropes (10+), climbing and mountain biking are also available on selected days of the summer holidays.

The age related activities take place between 10.00am – 4.00pm and provide children with an opportunity to try basketball, golf, football, rounders, tennis and many more fun games such as catch the flag and dodgeball.

Supervised 'free play' is 8.30 – 10.00am and 4.00 – 5.30pm. This enables children to socialise and play the activities they want to do. Some children decide to play football, some practice their skills they learnt the previous day, while others use it as an opportunity to play with their friends.

Birthday Parties

Star Hotshots run flexible party packages to meet your wishes. Parties and activities are adapted to the age of the children and are suitable for children aged 5-12 years old.

The theme of the party can be The Olympics, The World Cup, Superstars or you can select a variety of sports/activities to be incorporated into the party.

You can either book a venue and we will turn up on the day to run the party or we can take away the time and stress by recommending suitable venues in your area and booking the time and date for your party.

All parties include highly qualified staff, public liability insurance, party invites and a party bag for the birthday child.

- ◆ 90 minutes party - £100
- ◆ 120 minutes party - £112

Performance Camps - NEW for 2012

Performance Sports Camps offer children aged 9-13 the opportunity to specialise and receive high quality coaching.

The activities and advice are created to ensure they can progress and excel in their sport.

The week long camps develop a wide range of skills amongst participants and develop their ability to use tactics and strategies to perform successfully.

Every child will leave with a personal exercise plan, methods of training and a nutrition plan to ensure they can continue to excel once the camp has finished.

N.B. Maximum 16 per camp so early booking is advisable.

Dance Camps

Participants will learn and experience a variety of dance styles throughout a two day and/or four day dance camp. These styles will consist of Street Dance, Contemporary, Musical Theatre and even some Cheer Dance.

The leader and tutor of the dance camps is a QUALIFIED DANCE and PE TEACHER.

Dance camp is for children between the ages of 9-14 of all levels of dancer from beginner to advanced. It really does not matter about any previous experiences as each dance routine will be differentiated in order for every child to experience success, gain confidence, develop their dance skills and most importantly enjoy themselves.

Our dance camps focus on a number of key factors to ensure your child has a great time:

- ◆ Opportunities to try new dance styles
- ◆ A variety of dance styles
- ◆ Learn new movement material
- ◆ Improve their dance performance skills
- ◆ Improve their choreography skills
- ◆ Success and fun

Young Leader Award

The award teaches leadership skills through a range of games and activities, and is a fun and practical way to engage young people in leadership activities.

The Young Leader Award is a six hour award for young people over the age of nine that promotes them working with younger children.

The award follows the well known STEP principle which encourages Young Leaders to make decisions surrounding the Space, Task, Equipment and organisation of People in order to become successful leaders.

Leaders once they have completed the leadership award will receive a nationally recognised certificate.

The course looks to develop skills that can be transferred to many different situations. This can be a first step towards a young leader becoming a leader for the future.
